

IC 2024 REGISTRATION & WAITLIST POLICIES

BBYO's Centennial International Convention (IC), which takes place February 15-19, 2024, in Orlando, Florida, is expected to sell out quickly; therefore, we encourage BBYO members to register as early as possible.

Below is an explanation and guidelines on how teen registration and waitlists will work for IC 2024.

I. REGISTRATION DATE & TIMES

General IC 2024 registration will open on **Thursday, September 28, 2023**, at:

- **8pm ET** for teens in North America, Latin America, Australia, China, Japan, and Singapore
- **8pm CET** (2pm ET) for teens in Europe, Africa, Middle East, and FSU

In addition, any teen who attended CLTC, ILTC, International Kallah and/or ILSI during Summer 2023, will be guaranteed a spot at IC 2024 if they register by 11:59pm ET on September 28, 2023.

II. REGISTRATION POLICIES & WAITLIST

A specific number of spaces and rooms have been allotted for teens who identify as Alephs and teens who identify as BBGs, and further apportioned for teens from North American and non-North American communities.

Immediately after a teen complete their registration for IC, the system will designate an automatic date and time stamp for each delegate. Once all available spaces for IC are filled, this date and time stamp will determine the remaining registrants' ranking on the waitlist.

For delegates on the waitlist, if someone cancels their registration or an additional space becomes available, the next ranked person on the list (based on the allotted spaces for AZA, BBG, or non-North American communities) will be invited to register and have 48 hours to do so from the moment they are notified. If they do not register within 48 hours, they will move to the bottom of the waitlist.

Registration for all teens closes on January 22, 2024. After that date, no one will be allowed to register for IC 2024.

There will be no exceptions to this process.
